

## PRODUCTIVITY

Design and functionality with high efficiency standards.

## RELIABILITY

Maximum power and efficiency.

## SAFETY

Operation and assembly that provides maximum safety.

## PRECISION

Accurate tools for the most high performance.

## FRIENDLINESS

High operator friendliness thanks to multifunction radio remote control display.

### MAX. HYDRAULIC REACH

Horizontal (m)	14,00
Vertical (m)	18,45

### HYDRAULIC SYSTEM

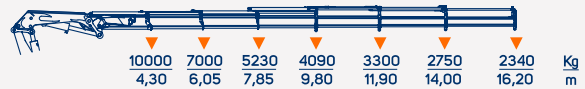

Max. oil flow (l/min)	80 ÷ 100
Max. pressure (bar)	34,5
Tank capacity (l)	200

### SLEWING SYSTEM

Slewing angle (°)	395°
Slewing moment (kN m)	51,1

Standard crane weight with non full tank (kg) **4855**

Up to 6 hydraulic extensions

### 50525 SP
